Covid Guidelines

In NWCSRA office, program and services:

- NWCSRA follows the recommendations of IDPH and the state of Illinois regarding COVID. The situation continues to be fluid and procedures pertaining to COVID may change. NWCSRA, to the best of our ability, will communicate any changes with families and patrons as soon as possible.
- Always have a face mask with you in case it's needed.
- Arrangements for personal care/support must be made and approved with full-time NWCSRA staff prior to occurrence at programs/services. Face coverings and additional personal protective equipment will be required during personal care support.
- Some venues we visit may require proof of vaccination. Should a venue require proof of vaccination, you will be notified prior to or upon registration. NWCSRA will not accept negative test results in place of vaccination cards.
- Regardless of vaccination status, please refrain from programs or the facility if you have any signs or symptoms of COVID-19, including fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea.

NWCSRA reserves the right to:

1. Ask patrons to correctly wear a face covering during SRA programs, services, or while in SRA building or vehicles. Always have an extra face covering with you in the event that it is needed.

2. Ask for verification of vaccination at any time to participate in SRA programs and services.

3. Ask for a pause in participation if any signs or symptoms of COVID-19 develop.

All requests for accommodation, including (but not limited to) those made during the COVID-19 pandemic, are made on a case-by-case basis taking into consideration all facts, such as the eligibility requirements of the specific program, the staffing available, the structure, safety, location and activities of the specific program, the specifics of the individual patron's needs, and what alternatives may be available.

Behavior Expectations

Northern Will County Special Recreation Association encourages and promotes the concept of fun for everyone. However, certain rules and guidelines have been established to ensure the safety and enjoyment for everyone. Participants, staff, volunteers and parents/guardians are expected to exhibit appropriate behavior at all times. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff. Staff, participants, volunteers and parents/guardians shall:

- Show respect to all participants, staff, volunteers and parents.
- Abstain from using abusive or foul language.
- Refrain from causing bodily harm to other participants, staff, coaches, volunteers and parents/guardians.
- Demonstrate respect to equipment, supplies, uniforms and facilities.
- Represent NWCSRA in a manner that is consistent with the goals, objectives and ethics of the association.

A caring, positive approach will be utilized regarding the use of disciplinary methods. Additional or individual behavior management plans may be developed on the advice of parents, guardians, staff members or other professionals. Northern Will County Special Recreation Association reserves the right to dismiss or suspend a participant if the above noted procedures are not adhered to and/or parent/guardian response to a problem situation is not attempted. Each situation will be evaluated individually and on its own merit.

Program Guidelines

- Northern Will County Special Recreation Association provides sufficient staff to participant ratio to ensure a safe and meaningful recreation experience.
- When arriving and departing a program, parents/guardians are required to "check in" with the program supervisor.
- Participants will only be released to designated individuals approved by parents/guardians. Any changes to a participant's approved list must be submitted to the office in writing.
- Participants will not be released to walk unattended after any program unless written waiver has been signed from said individual's parent/guardian.
- Participants must be picked up at the designated time that is listed in the program guide, flyer or verbally informed by the staff.
- Northern Will County Special Recreation Association staff will not be responsible for participants arriving prior to the scheduled program time.
- Northern Will County Special Recreation Association reserves the right to cancel a program or event due to insufficient enrollment.
- Northern Will County Special Recreation Association staff will not leave any person unattended after any program unless written permission has been received from said individual's parent/guardian.

Participant Illness Guidelines

To prevent the spread of contagious illnesses, participants should not attend programs when any of the following symptoms exist:

- Fever of 100° or higher
- Vomiting within the last 24 hours
- Persistent diarrhea
- Contagious rash or a rash of unknown origin
- Persistent cough and/or cold symptoms
- "Pink eye" (conjunctivitis) or discharge from the eye
- Symptoms of mumps, measles, chicken pox, strep throat, flu, Impetigo, Coxsackie virus, head lice, mites and ringworm
- Runny nose with yellow or green discharge, which indicates infection
- Fatigue, due to illness, that will hinder participation and enjoyment of the program

Please notify the Northern Will County Special Recreation Association office if the participant contracts any contagious illness that will affect his/her attendance at the program. Participants should return to programs at the recommendation of their doctor, or, if not under a doctor's care, when the symptoms have clearly passed.

Safety is our number one priority for participants, families, and staff. Please monitor your health and if you are feeling sick or experiencing any illness or COVID symptoms, please stay home.

Program Cancellations Due To Weather

Northern Will County Special Recreation Association attempts to hold programs whenever possible. However, inclement weather occasionally makes it difficult for staff and participants to travel to program locations. Northern Will County Special Recreation Association cancellation policies are as follows:

- Northern Will County Special Recreation Association staff look at all circumstances three hours prior to the starting time of the program or transportation route, to determine if the program should be cancelled. If the program is cancelled, program staff attempt to reach all participants by phone to inform them. You will only be called if the program is cancelled.
- Northern Will County Special Recreation Association attempts to extend programs to make up missed dates. Northern Will County Special Recreation Association will call/send an email announcing program extensions.

Transportation

For programs with transportation, the following are the drop off and pick up locations. Look for this bus icon to indicate the option for transportation.

Plainfield: Prairie Activity & Recreation Center (PARC) – 24550 W. Renwick Rd, Plainfield

Romeoville: NWCSRA – 10 Montrose Drive, Romeoville

Lockport: Strike N' Spare II – 811 Northern Drive, Lockport

Transportation times and locations will be determined based on enrollment at the time of the registration deadline. **We must have a minimum of 2 participants at any site in order to offer transportation.** Staff will send transportation information to all those registered prior to the start of the program.

Inclusion Services

Northern Will County SRA understands that not every person with a disability needs to participate in special recreation programs. If you feel that a program offered by your park district/recreation department (Bolingbrook, Lockport, Plainfield, or Romeoville) would better meet the needs of your child, teen or adult; follow these steps for inclusion:

1. Register at your local park district/recreation department for the desired program as soon as possible. Let them know you will be requesting inclusion assistance.
2. Through meeting(s), observations, etc., it will be determined if inclusion in the program would be appropriate and beneficial, and if an inclusion aide is needed.

Please understand that we will do our very best to provide an inclusion aide. However, because of staffing restrictions or due to notification dates, we are sometimes unable to guarantee an aide. Please register early so that there is plenty of time to secure the assistance that is needed.
