One of our amazing part-time staff has a daughter that has been homebound due to serious health issues. The travel costs as well as medical expenses are adding up, so a group of friends have decided to put on a fundraiser to alleviate some of the family's expenses. Please see the back of this newsletter for more information.

Any donations can be brought to the NWCSRA office. Thank you in advance!

Romeoville High School junior Gianna Damato is currently homebound dealing with health issues. This situation has her and her parents, Joe and Jennifer, traveling for tests treatment back and forth to the Mayo Clinic in Minnesota.

To help with travel and other related expenses we are holding a fundraiser on Saturday, March 14. Please attend and show your support. We also are looking for items to make gift baskets to auction; if you can help with that, contact one of us!

If you cannot attend the fundraiser, you may also make a donation. Also please contact one of us for additional information.

For answers to any questions, to purchase a ticket to the March fundraiser, or to make a donation again please contact one of us.
