Program Description & Site Options

Adult Day Program Description

NWCSRA's Adult Day Program is designed to meet the needs of adults with disabilities 18 years and older that are no longer serviced through the school district. This program provides year-round social and recreational activities to enhance the quality of life for our participants. The program focuses on positive peer interactions, community integration, leisure independence, and basic life skills. Weekly activities include field trips in the community, cooking, shopping, arts & crafts, games, service projects, and more!

NWCSRA offers several opportunities within our Day Programs to meet the needs of our communities and families. Each option has specific participation requirements that must be met to be considered for the program. The Program Coordinator will assess and determine which program best meets the needs of each individual interested in the day program. For current families, placement in the program is based on previous program participation, staff feedback, and observations.

NWCSRA welcomes new participants! Please visit the Adult Day Program page on the NWCSRA website to complete an Adult Day Program Interest form and return the completed form to the Program Coordinator for review.

Contact Cindy DeNormandie for more information or to schedule a tour at 815-552-9770 or cdenormandie@nwcsra.org.

All requests for accommodation, including (but not limited to) those made during the COVID-19 pandemic, are made on a case-by-case basis taking into consideration all facts, such as the eligibility requirements of the specific program, the staffing available, the structure, safety, location and activities of the specific program, the specifics of the individual patron's needs, and what alternatives may be available.

NWCSRA reserves the right to pause participation and reassess if an individual is meeting the eligibility requirements along with reassess accommodation requests.

Program Guidelines

Attendance Policy

Call the assigned phone number or assigned email to notify a Day Program team member of absences by 8:00am or by 7:00am for before-care and leave a message including your name, participant's name, and phone number. Please inform the Program Coordinator of preplanned absences. NWCSRA does not issue credits or refunds for absences.

Drop Off and Pickup Policy

NWCSRA understands unforeseen circumstances occur. Each Day Program site has a phone number guardians can call to inform a team member of their participant's late arrival and/or pick up and should leave a detailed message if a team member is unable to answer. Be advised guardians may be responsible for meeting the group at an alternative location when arriving late or picking up early depending on the scheduled activities.

NWCSRA has a late fee policy. Fees will be assessed if a guardian is continually late for drop off or pickup and must be paid prior to participation in future programs. Continued late drop-off or pickup to the program could result in enrollment in before or after care services or termination in the Day Program.

NWCSRA understands guardians may rely on transportation services (PACE, Uber, Township, etc.). Guardians must inform the Program Coordinator at time of registration of approved transportation services. Guardians are responsible for communicating drop off/pickup procedure and program time to service company. Please note the drop off and pick up policies stated above still apply.

Weather Policy

NWCSRA is continually checking the weather to ensure the best decision is being made when deciding to cancel, delay, and/or have program as scheduled due to inclement weather. When inclement weather arises, an NWCSRA team member will call the primary contact listed on the Information Sheet. If you do not receive a phone call, program will occur as normal. There will be no credits and/or refunds given for program cancellations due to weather.

Medication Policy

For prescription medication or over the counter medication that needs to be administered during program, a Medication Distribution Waiver must be completed for staff to dispense medication. All prescription medication must be in its original dosage containers clearly labeled with the participant's name and dosage instructions (time of day, with food, etc.). Over the counter medicine, such as Advil, should remain in original container. A team member will hold onto medication to dispense during program. All Medication Distribution Waivers must be turned in to the Program Coordinator at least 24 hours in advance for approval before medication can be dispensed at program. A new Medication Distribution Waiver will need to be completed before new medication can be dispensed.

Program Attire

Participants are required to wear closed-toe shoes and program-appropriate as well as weather-appropriate clothing to program each day. Check your monthly calendar to ensure your participant is dressing for the activities scheduled for that day. If special clothing is required (Ex: Pajamas), it will be indicated on the monthly calendar.

Personal Items

NWCSRA understands participants enjoy bringing personal items from home for comfort and/or to show their friends. Be advised that NWCSRA is not responsible for lost or stolen items. The Day Program team members are also not responsible for holding participant's personal items. We encourage participants to only bring items needed for that day, such as their lunch and drink. Cell phones are allowed at program; however, cell phones should remain in their bag or pocket during program hours unless permission is given by a team member. When cell phones and/or personal items become an issue during program, an NWCSRA team member will address the situation accordingly.

Program Guidelines

Program Calendar

A calendar will be handed out during the last week of each month listing the main activities for the month. The calendar is also located on the Adult Day Program page on the NWCSRA website. The activities may change due to weather or other unforeseen circumstances and efforts will be made to reschedule when possible. NWCSRA team members will do their best to notify guardians of any changes to the calendar ahead of time.

Field Trips/Outings

The Day Programs schedule a variety of field trips each month. If special clothing or instructions are required, it will be noted on the monthly calendar. It is recommended that each participant brings a backpack as they are responsible for carrying their personal items along with their lunches on field trips.

Lunch

A lunch is required each day unless the group is scheduled to cook or having lunch out, which is indicated on the monthly calendar. If your participant does not like the food being cooked or lunch out options due to personal preference or beliefs, please send a lunch.

The cost of lunch out is included in the program fee unless noted on the monthly calendar. For example, the option to purchase lunch from the food court at Orland Mall or bring a sack lunch may be given. The agency will pay for the basic lunch items such as a regular size burger, fry, and a drink. Participants can bring money to purchase extra food items. If your son/daughter is unable to communicate their food choice, guardians should write their lunch order on a piece of paper and give it to a team member. Guardians can find the food options available to order on the monthly calendar.

Behavior Expectations

NWCSRA encourages and promotes the concept of fun for everyone. Certain rules and guidelines have been established to ensure the safety and enjoyment for everyone. Participants, staff, volunteers and parents/guardians are expected to exhibit appropriate behavior at all times. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff.

All parties shall:

- Show respect to all participants, staff, volunteers and parents.
- Abstain from using abusive or foul language.
- Refrain from causing bodily harm to others.
- Demonstrate respect to equipment, supplies, uniforms and facilities.
- Represent NWCSRA in a manner that is consistent with the goals, objectives and ethics of the association.

Individual behavior plans may be developed on the advice of parents/guardians, staff members or other professionals. NWCSRA reserves the right to pause participation or dismiss any individual if the above procedures are not adhered to. Each situation will be evaluated individually and on its own merit.

Wellness Guidelines

To prevent the spread of contagious illnesses, participants should not attend programs when any of the following symptoms exist:

- Fever of 100° or higher
- Vomiting or diarrhea within the last 24 hours
- Contagious rash or a rash of unknown origin
- Persistent cough and/or cold symptoms

- Symptoms of mumps, measles, chicken pox, strep throat, flu, impetigo, coxsackie virus, head lice, mites and ringworm, or coronavirus
- Runny nose with yellow or green discharge

Please notify the NWCSRA office if the participant contracts any contagious illness that will affect his/her attendance at the program. Participants should return to programs at the recommendation of their doctor, or, if not under a doctor's care, when the symptoms have clearly passed.
