Inclusion Services

Northern Will County SRA understands that not every person with a disability needs to participate in special recreation programs. If you feel that a program offered by your park district/recreation department (Bolingbrook, Lockport, Plainfield, or Romeoville) would better meet the needs of your child, teen or adult; follow these steps for inclusion:

1. Register at your local park district/recreation department for the desired program as soon as possible. Let them know you will be requesting inclusion assistance.
2. Through meeting(s), observations, etc., it will be determined if inclusion in the program would be appropriate and beneficial, and if inclusion support is needed.

Please understand we do our best to provide inclusion support, however, we cannot guarantee a support staff. Register early to ensure plenty of time to secure the assistance that is needed.
